Why do People Matter?

„Because people are why we are here.“

„People are everything.“

„People lead change and keep the planet.“

„If not, there is no sense.“

„Information and networking.“

„Because people makes the world.“

„Because if they don't nothing does.“

„Work is all about people.“

„Everything depends on people.“

„People lead the world not robots.“

„The main source of corporate core competency.“

„People can't live alone.“

„Because people are the most important capital of a company.“

„Interested in women's biz story.“

„People are the essence of each company, especially its success.“

„We are our best asset.“

„People matter by their sheer existence. 사람은 존재자체로써 의미합니다.“

„Otherwise I lose my job.“

„Every human matters. (of course others matter too, animals, plants etc.)“

„No. 1 in TEAM“

„Bill Gates says the biggest resource Microsoft has walks out the door at 5pm.“

„They mine money.“

„People control everything.. They are creating, they are communicating, they are leading.“

„Without understanding other people and making them feel like they matter, we cannot forge connections or make progress.“
